Circular No: 50

To,
The Heads of all Recognised
Secondary and Higher Secondary Schools,
under the jurisdiction of this Board.

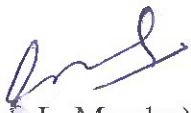

Sub: Supplementary reading books for Students and Teachers for Class IX to XII
regarding....

Sir/Madam,

- ❖ The reading literacy habit is vulnerable day by day amongst students and teachers due to influence of Social Media, Whatsapp, instagram etc.
- ❖ As you will agree that reading may lead to better and balance life. When students read they train their brains in essence. They are mentally stimulated, acquire knowledge and ideas and reduces stress in their lives. It improves vocabularies and memory and develops keener analytical skills. It also increases imagination and creativity. Reading improves concentration as it requires focus. Children / individual will develop ability to sit quietly for longer and longer periods of time.
- ❖ Reading teaches about the world beyond their own doors. It reduces stress and offers relaxation. It fosters self confidence and independence. Without reading ability many areas of life are hindered.
- ❖ Keeping this in mind, Goa Board of Secondary and Higher secondary Education intend that Students and Teaching/Non teaching members develop reading habits. The Board of Studies in different subjects has recommended books for reading which are uploaded on the Board's Official Website. It is expected that every student will choose a book of his choice and will complete reading it in a month and submit details of the book with his findings about the book to the Librarian of the School.
- ❖ There is no restriction on language of book for reading.

- ❖ Reading of Novel, Story books, Autobiography other than what is uploaded on the Board's website is also welcome.
- ❖ The best reader amongst Students and Teachers to be identified by internal committee of three members to be constituted by Head of the School. The committee may include a member (like Author, village librarian etc.) from the village or city nearby school, who is well versed with reading or writing or oratory skills.
- ❖ Book read by best reader amongst Students and Teachers along with their comments on the book be uploaded on Board's Web Portal.
- ❖ The Head of Institution shall motivate Students & Teachers to participate fully in this activity to promote reading culture.
- ❖ The Librarian of the School shall maintain the data of this activity and upload the same on Board's Web Portal every month which will be further analysed by the committee constituted for the purpose.

The content of this Circular should be brought to the notice of all concerned and be displayed at a prominent place on the notice board of school.

(Geraldina L. Mendes)
Secretary

Copy to:
