Ref: D.O. No. F. 1-60/2023-INS.3 Dated: 30/08/2023 from Ministry of
Education, Department of School Education & Literacy, New Delhi

Sir/Madam,

As you are aware that the Ministry of education Government of India has taken an inspiring initiative call the "Veer Gatha" project to foster and promote gallantry talents among students in Indian schools. The project aims to instill a sense of patriotism, courage and pride in our young minds while nurturing their creative expression through various activities

Considering poor participation of schools from all the States/UTs, the competent authority has decided to extend the timeline for conduct of activities at school level till 15/09/2023. Therefore, revised timeline for conduct of activities at school level and uploading of entries on MyGov Portal is from 28/08/2023 to 15/09/2023. The Process of submission of entries on MyGov portal for VeerGatha Project (3.0) is attached herewith for your reference.

All the Heads are requested to take personal interest and encourage the students to participate in the VeerGatha Project.

Kindly treat this as urgent matter.
